Dear Members,

In January 2012 the General Committee sent a letter to all members with an information about our new Membership Card System and requested that for the establishment of New Membership Cards a membership Data Update Form be filled in and returned to the Club together with new pictures.

A large number of Members replied and returned the update Form as well as pictures and new Membership Cards had been established to those Members.

We have however not received the necessary information and photos from many Members. We herewith request you to help us in getting your information for the establishment of our New Membership Card. In future it is necessary for Members to produce Membership Cards upon Registration and Payment!

Please comply with our request and if necessary our Club attendants are ready to help you. We have a camera both in EMB and DWB as well as the Update forms and you can fill in the form in the Club and leave with our Club Attendants.

Your cooperation is highly appreciated.

  
Frank Pfeiffer  
(Hon. Secretary)
