News Letter 2013-1

Dated:- Feb 15, 2013

Editor's Comment

At a recent meeting of the Emerald Bay Convenor's Group it was decided that there should be a regular newsletter to keep members informed of what is happening at the Club. It can also be used for feedback if members would like to bring any matters to the attention of the General Committee. In the interests of speedy communication and reduced costs the newsletter will be distributed primarily by email. Recognising that some of the senior members may not have access to email accounts it will also be sent by snail mail to those who specifically request it. The editor, who shall remain anonymous, to protect him/her from disgruntled members, is a senior so there is no excuse for seniors to claim they should be treated specially.

We anticipate the Newsletter will be distributed at least on a quarterly basis. The proposed format is for it to be divided into several sections under the following main headings.

- President's report
- Manager's comments
- Sporting activities
 - Kayak
 - Paddle Boats
 - Canoes
- Development
- General News

This note is being sent to all members with registered email addresses and will also be posted on the notice boards at DWB and EMB. Members without email addresses in the Club records are requested to either register their email address with the Club or to request to receive the email through the post.
